

The Rush County Drainage Board met in the Commissioner’s Room of the Rush County courthouse on February 22, 2016 at 10:27 a.m. with the following present: Mark Bacon, Paul Wilkinson, Bruce W. Levi, members; Leigh Morning, Board attorney; Marvin L. Rees, Surveyor; Michele Gordon, secretary.

Minutes of the previous meeting were approved and signed by motion of Wilkinson, with a 2nd by Levi.

WINEGARD/MEEK/HENRY TILE & OPEN

Jeff Innis, who rents ground within the watershed, was present. Mr. Innis is requesting the open portion be cleared out in order to provide a better outlet for the tile. The Surveyor informed the Board that there is enough money in the maintenance fund for this drain to cover the cost of the work needed. If more work beyond clearing the open is needed, the maintenance account may need to be re-assessed in the future. A hearing would need to be held at that time. A motion was made by Levi, with a 2nd by Wilkinson, to proceed with the maintenance work on this drain. Motion carried.

VILLAGE AT FLATROCK POND

The Surveyor informed the Board he is still working on his Final Report.

CARR/STANLEY TILE

Wilkinson asked the Surveyor if he has gathered any more information concerning the proposed reconstruction of this tile. The Surveyor stated that he has not had a chance to do so, but would be proceeding. He also stated he had not had time to check on the waterway situation on the JAMES ALEXANDER TILE but would also proceed with this issue. He will report his findings at a later meeting.

There being no further business to come before the Board a motion to adjourn was made by Wilkinson, with a 2nd by Levi. Motion carried.
